

A place to find your place.

June 27 - August 14

# summer

Set in a beautiful valley at the edge of the White Mountain National Forest, Oliverian's mission is to help young people find their place in the world.

at OLIVERIAN

A PLACE TO BELONG.  
A PLACE TO CONNECT.  
A PLACE TO BECOME.

Be You. Do What You Love. Get Back on Track.

**Oliverian's 7-Week Summer Session 2021** is the ultimate antidote after a year of COVID learning. This is not education via screen; our program is live and in person on our beautiful campus. **Join us for:**

- Credit-recovery and transcript enhancement to help you achieve on-time graduation.
- Engaging and immersive classes to reignite your love of learning and help you explore your passions.
- 360-degree, individualized academic, counseling, and social support.
- Fun because, after all, it's summer!

# An Oliverian Summer

## Become a more self confident version of yourself

Oli is an incredibly supportive and comfortable place—a true home away from home for students and faculty alike. We Oliverians defy a tidy definition. We're all unique. But we all want acceptance, independence, and room to be ourselves.

You'll find that at Oli.

## Do what you love

Success as a young adult depends on your ability to specialize in something you love. In addition to credit recovery and enhancement classes, our summer program also provides immersive experiences in the arts, sciences, and/or adventure, allowing you to go deep in the subject area(s) of your choice. While high school emphasizes breadth, college and career are about depth. We can help you get a jump on finding your "major"—for college and life!

## Summer's cool at Oli

There's a reason people build summer homes in this part of New Hampshire — it's beautiful, the weather is perfect, and there's a ridiculous amount of fun stuff to do. Depending on what floats your boat, fun at Oliverian

might include hiking, movies, rock climbing, video or board games, in-town dining, riding horses, baking cookies, jamming in our music studio, just relaxing... or literally floating in a boat! **It's up to you.**
